

LCAP Year 2017–18 2018–19 2019–20

Local Control Accountability Plan and Annual Update (LCAP) Template

[Addendum](#): General instructions & regulatory requirements.

[Appendix A](#): Priorities 5 and 6 Rate Calculations

[Appendix B](#): Guiding Questions: Use as prompts (not limits)

[LCFF Evaluation Rubrics](#): Essential data to support completion of this LCAP. Please analyze the LEA's full data set; specific links to the rubrics are also provided within the template.

LEA Name	Muroc Joint Unified		
Contact Name and Title	Kevin Cordes kcordes@muroc.k12.ca.us	Email and Phone	760-769-4821

2017-20 Plan Summary

THE STORY

Briefly describe the students and community and how the LEA serves them.

Muroc Joint Unified School District is a K-12 unified school system of approximately 1,900 students, located in the Mojave Desert approximately 110 miles northeast of Los Angeles. It was founded as an elementary school in 1911, with one teacher and less than a dozen students. The school house was located at Edwards. Boron students were bused to the air base for their education. As the area became more populated, another school was established in 1929, in Boron. The schools became a unified district in 1953, encompassing 578 square miles in Kern and San Bernardino counties.

The District serves the communities of Boron, North Edwards and Edwards Air Force Base, and maintains four school sites and an adult learning center. A comprehensive junior-senior high school and TK-6 elementary school are located in Boron and a comprehensive junior-senior high school and TK-6 elementary school are located on Edwards Air Force Base. All of these schools have been awarded "California Distinguished School" status. The district is currently in the process of modernizing all school sites, with some facilities being completely replaced and one school being reopened for TK-3rd grades at Edwards Air Force Base. In order to accomplish this, the district passed a 21 million dollar school construction bond in November, 2016 to support the construction projects of the schools in Boron. Additionally, in the spring of 2017, the district was awarded 80 million dollars by the Office of Economic Adjustment related to the Department of Defense Public Schools on Military Installations Program. This money is being used to improve schools located on the base. The district retained WLC Architectural Services and WLC Construction Services for design and construction services respectively. The district is working with stakeholders from each community to ensure that the upgrades and improvements to the schools will best serve students for the next fifty years.

Muroc students have been a continual source of pride. From the early mining and flight test eras to today, they have netted top awards in everything from leadership and scholarship, to sports and fine arts. Over the years, a good number of our students have returned as fully credentialed teachers, support staff, and administrators, to support students with sincere concern in the district and the area where they grew up.

LCAP HIGHLIGHTS

Identify and briefly summarize the key features of this year's LCAP.

REVIEW OF PERFORMANCE

Based on a review of performance on the state indicators and local performance indicators included in the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Graduation rates continue to be a source of pride for the district and the community. Academic counselors, teachers, support staff, and administration all work together to support students throughout in ultimately obtaining a high school diploma. The district also recognized the importance of assisting those in the community who have not obtained a high school diploma and subsequently opened an adult learning center. In this setting, adults who have not obtained a high school diploma attend night classes twice a week and earn credits towards an adult education diploma. The district also provided college classes two nights a week through the adult learning center for entry-level college preparedness courses. Students attending each high school have opportunities to earn college credits through Cerritos Community College while taking high school classes. For the first time, students at Boron High School are able to earn college credits while working concurrently on high school credits. Through the National Math and Science Initiative (NMSI) students at Desert High School have also been given opportunities to attend additional AP courses. NMSI is a federal grant program that supports schools serving military dependent children. Desert High School became only the 2nd school in California to receive grant monies and have increased their AP offerings and supports to students in AP classes such as Saturday learning sessions, test tuition assistance, and monetary incentives for students who obtain qualifying AP scores.

GREATEST PROGRESS

The district has received monies through the CTEIG grant and expanded CTE course offerings at each high school in the industry sectors of Building and Construction Trades and Manufacturing and Product Development. Each high school previously had one CTE teacher. The district has doubled the amount of CTE instructors this year as well as sections of CTE related courses. The district has also received monies through the Adult Education Block Grant and have used monies to support the adult learning center classrooms and welding program held at Boron High School in the evenings.

The district provides a safe learning environment for students and the district has low suspension rates. Students are held to a high level of accountability regarding behaviors and they meet the expectations. Due to our smaller comprehensive high schools, students are able to receive the individual attention necessary to assist them in meeting their social, emotional, behavioral, and academic needs. To help in these areas, the district utilizes a variety of specific experts to provide necessary supports. Learning Directors focus on classroom instruction, assessment data, and any needed academic supports. Beginning the 2016/2017 school year the district also hired an additional counselor at each high school to

support English Learners, Foster Youth, and Socioeconomic Disadvantaged students to promote school attendance and academic success. These counselors also support the students at each high school's feeder elementary schools as well as conduct home visits with site administration, and provide on-site counseling services to students as needed. Due to the low percentage of EL students, the district's EL Coach is able to work individually with each EL student and their teacher(s) to ensure that they receive necessary supports. The district also has over 85% of English Learners progressing. The EL Coach promotes and monitors access to Rosetta Stone for all EL students and their families free of charge.

Test scores continue to rise as well. In 2016 the district met the LCAP goal to increase math and ELA scores by 10%. The district increased ELA scores by 15% and Math scores by 17%. The district is still slightly below the state averages, but is increasing at a greater rate than the state. The district introduced a Response to Intervention (RTI) program this year district-wide called My Lexia. Students were able to access this on-line program with tiered levels of intervention and were identified via benchmark testing data, state testing data, classroom grades, and teacher recommendations. Learning Directors directly monitor the effectiveness for each student. The district has also increased efforts to recruit and retain highly qualified teachers for students. Teacher recruitment has expanded internationally and signing bonuses are offered in difficult-to-fill positions such as special education, math, and science. The district recognizes the importance of high-quality instruction by highly qualified teachers, and benchmark and state test scores indicate the improvement of instruction in the classroom.

In order to build on current successes, the district plans to retain specific supports listed above. The district recognizes that many of these supports are still relatively new and no major adjustments will be made to staffing supports or the programs that have been put into place. The district will continue with the current RTI program while expanding access as needed. Learning Directors, Counselors, and EL Coach provide excellent support to students, teachers, and administration and will remain with minor adjustments to work duties to better support student learning. By example, school counselors will work with school psychologists starting the 2017/2018 school year to provide increased social supports to students who demonstrate behavior issues. The district EL Coach will also work with any foster or homeless students in the district and will represent the district in this area.

Grants which have been obtained will be continued and any additional grant opportunities will be explored. The adult learning center will continue to support those in the community who desire a diploma and the district will expand the number of nights that classes are offered on an as-needed basis. The district will continue to build upon CTE opportunities as well. With the additional Adult Education Block Grant monies, the district will be expanding the adult welding program from 2 nights to 3 nights and upgrading equipment as well. These courses are offered at night at Boron High School and are open to students as well.

Referring to the LCFF Evaluation Rubrics, identify any state indicator or local performance indicator for which overall performance was in the “Red” or “Orange” performance category or where the LEA received a “Not Met” or “Not Met for Two or More Years” rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

GREATEST NEEDS

Under Suspension Rate, African American student suspension rate increased by 2.4%. Of the 149 students in this category, 6% were suspended at some point during the school year. Additionally, of the 224 students who are in the category Two or More Races, 2.7% were suspended at some point during the school year, a .6 percent increase from the previous year. In order to address this area, site administration will coordinate with site counseling staff to work with students exhibiting adverse behavior on campus. Site counselors will provide necessary supports to assist students in improving their behavior on a case by case basis ensuring individually tailored support.

In the area of mathematics, the 66 students who identify as two or more races scored 37.1 points below level 3. The most significant testing discrepancies include students with disabilities. In Mathematics, of the 103 students who tested, their scores averaged 133.5 points below level 3 with a 21.5 point decrease. Of

the 105 students who tested in English Language Arts (ELA) the average score was 104.4 points representing a 6 point decrease. To address these test scores, students who score below level 3 will be given priority status for academic interventions. Learning Directors will use testing data to identify these students, and working with site administration and teachers, will coordinate consistent and relative RTI strategies into their school day. The district faces the same struggles due to the California teacher shortage as most other districts and has invested significant time and resources to recruit and retain highly qualified special education teachers. With this in mind, the district has hired two additional special education teachers who are new to the teaching profession and will be placed in tandem with veteran special education teachers to help train them. These teachers will spend the first year sharing a case load with their mentor teacher and both teachers will be available to provide extra services to struggling students in special education. Benchmark assessments will be used to track academic growth for all students and adjust individual RTI supports as needed.

Referring to the LCFF Evaluation Rubrics, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

PERFORMANCE GAPS

Under Suspension Rate, African American students performed 3 performance levels (red) below the "all student" performance level (green) and students identifying as two or more races performed 2 performance levels (orange) below the "all student" performance level (green). African American student suspension rate increased by 2.4%. Of the 149 students in this category, 6% were suspended at some point during the school year. Additionally, of the 224 students who are in the category Two or More Races, 2.7% were suspended at some point during the school year, a .6 percent increase from the previous year. In order to address this area, site administration will coordinate with site counseling staff to work with students exhibiting adverse behavior on campus. Site counselors will provide necessary supports to assist students in improving their behavior on a case by case basis ensuring individually tailored support.

Under the areas of both ELA and Mathematics students with disabilities performed 2 levels (red) below the "all student" level (yellow). In the area of mathematics, the 66 students who identify as two or more races scored 37.1 points below level 3. The most significant testing discrepancies include students with disabilities. In Mathematics, of the 103 students who tested, their scores averaged 133.5 points below level 3 with a 21.5 point decrease. Of the 105 students who tested in English Language Arts (ELA) the average score was 104.4 points representing a 6 point decrease. To address these test scores, students who score below level 3 will be given priority status for academic interventions. Learning Directors will use testing data to identify these students, and working with site administration and teachers, will coordinate consistent and relative RTI strategies into their school day. The district faces the same struggles due to the California teacher shortage as most other districts and has invested significant time and resources to recruit and retain highly qualified special education teachers. With this in mind, the district has hired two additional special education teachers who are new to the teaching profession and will be placed in tandem with veteran special education teachers to help train them. These teachers will spend the first year sharing a case load with their mentor teacher and both teachers will be available to provide extra services to struggling students in special education. Benchmark assessments will be used to track academic growth for all students and adjust individual RTI supports as needed.

INCREASED OR IMPROVED SERVICES

If not previously addressed, identify the two to three most significant ways that the LEA will increase or improve services for low-income students, English learners, and foster youth.

1. The district currently has 12 foster students. To better support these students, beginning the 2017/2018 school year, the current English Learner Coach will also serve as the district's new Foster Youth Coordinator. They will coordinate services in the local and regional areas to support these students. They will also coordinate with the new school counselors to provide continued counseling support as needed and will work with Learning Directors and teachers to ensure that these students have the necessary supports academically, socially, and emotionally. This work will also be coordinated and supported in conjunction with district and site administration.

2. Of the 43 English Learners district wide, 22 were redesignated for the 2016/2017 school year. For the upcoming school year, the district EL Coach will continue to work with students, teachers, and support staff in supporting English learners. The EL Coach will also provide additional support to teachers regarding the district's new ELA adoption which also comprises an EL component. Training will be offered through collaboration meetings for all teachers and additional training with individual teachers as needed. Learning directors will follow this training with on-site support related to the new ELA adoption and support to EL students as well as any other student who needs the extra support.

3. Low-income students will be better served in Language Arts through the new ELA adoption. The new adoption has components that address students who struggle. It has been eight years since the district's last ELA adoption and the new curriculum will better

support students who need enrichment, extra support, and need an EL component. This, coupled with our mathematics adoption implemented during the 2016/2017 school year will better address the academic needs of all students. The district is also exploring a teacher recruitment incentive program for those who chose to teach at either of the district's Title I schools.

BUDGET SUMMARY

Complete the table below. LEAs may include additional information or more detail, including graphics.

DESCRIPTION	AMOUNT
Total General Fund Budget Expenditures for LCAP Year	\$
Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for LCAP Year	\$679,200.00

The LCAP is intended to be a comprehensive planning tool but may not describe all General Fund Budget Expenditures. Briefly describe any of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP.

\$	Total Projected LCFF Revenues for LCAP Year
----	---

Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

100% of all classroom instruction will be based on Math common core standards by 2016-17 and ELA common core standards by 2017-18, and will be evidenced by rigorous content and the application of knowledge through higher-order thinking skills.

State and/or Local Priorities Addressed by this goal:

STATE	<input type="checkbox"/>	1	<input checked="" type="checkbox"/>	2	<input type="checkbox"/>	3	<input type="checkbox"/>	4	<input type="checkbox"/>	5	<input type="checkbox"/>	6	<input type="checkbox"/>	7	<input type="checkbox"/>	8
COE	<input type="checkbox"/>	9	<input type="checkbox"/>	10												
LOCAL																

ANNUAL MEASURABLE OUTCOMES

EXPECTED

100% of each classroom's instruction is aligned to common core math as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 100% of each classroom's instruction is aligned to common core ELA as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 50% of all science of all science instruction will be aligned to NGSS.

Priority 2 District identified

- Based on site/district administration classroom walkthroughs and observations 100% of each classroom's instruction will be aligned to CCSS math.

Based on site/district administration classroom walkthroughs and observations 100% of each classroom's instruction will be aligned to CCSS ELA/ELD.

Based on site/district administration classroom walkthroughs and observations 50% of each classroom's instruction will be aligned to CCSS NGSS.

District will provide at least 4 CCSS/NGSS related professional development opportunities.

- All ELL students have full access to all CCSS and ELD standards.
- All other academic content and performance standards adopted by the State Board of Education are fully implemented.

ACTUAL

100% of each classroom's instruction was aligned to common core math as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 100% of each classroom's instruction was aligned to common core ELA as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 50% of all science of all science instruction was aligned to NGSS.

Priority 2 District identified

- Based on site/district administration classroom walkthroughs and observations 100% of each classroom's instruction was aligned to CCSS math.
- Based on site/district administration classroom walkthroughs and observations 100% of each classroom's instruction was aligned to CCSS ELA/ELD.
- Based on site/district administration classroom walkthroughs and observations 50% of each classroom's instruction was aligned to CCSS NGSS.
- The district did not provide at least 4 CCSS/NGSS related professional development opportunities at the level the district intended, but these were topics covered during collaboration meetings throughout the school year.
- All ELL students have full access to all CCSS and ELD standards.
 - All other academic content and performance standards adopted by the State Board of Education are fully implemented.

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action	1	
Actions/Services	<p>PLANNED 1. Continue to provide three learning directors district wide to assist teachers with instructional practices and coordinate educational support services.</p>	<p>ACTUAL 1. The district continued to provide three learning directors district wide to assist teachers with instructional practices and coordinate educational support services.</p>

Actions/Services	PLANNED 4. Continue to provide opportunity for teachers of students with special needs to attend classes for added authorizations according to student enrollment.	ACTUAL 4. The district continued to provide opportunity for teachers of students with special needs to attend classes for added authorizations according to student enrollment.
	BUDGETED Teacher Release time 1000-1999: Certificated Personnel Salaries Supplemental 1,500	ESTIMATED ACTUAL Teacher Release Time 1000-1999: Certificated Personnel Salaries Supplemental 1,500

Action **5**

Actions/Services	PLANNED 5. Create a district wide professional development calendar to be used for the 2016/2017 school year.	ACTUAL 5. A district wide professional development calendar was created for the 2016/2017 school year.
	BUDGETED Teacher Release time and cost of trainer/consultants. 1000-1999: Certificated Personnel Salaries Base 10,000	ESTIMATED ACTUAL No outside trainers/consultants were hired 0

Action **6**

Actions/Services	PLANNED 6. Purchase any additional math books per enrollment	ACTUAL 6. No additional math books were required
	BUDGETED Buy Books 4000-4999: Books And Supplies Base 15,000	ESTIMATED ACTUAL No additional math books were required 0

Action **7**

Actions/Services	PLANNED 7. Continue to Implement supplemental common core materials for ELA	ACTUAL 7. The district continued to Implement supplemental common core materials for ELA
	BUDGETED Supplemental Materials 4000-4999: Books And Supplies Base 21,000	ESTIMATED ACTUAL Supplemental Materials 4000-4999: Books And Supplies Base 21,000

Action **8**

Actions/Services	PLANNED 8. Continue training on math adopted math materials	ACTUAL 8. The district continued training on math adopted math materials
	BUDGETED Teacher Release time 1000-1999: Certificated Personnel Salaries Base 1,500	ESTIMATED ACTUAL Teacher Release Time 1000-1999: Certificated Personnel Salaries Base 1,500

Action **9**

Actions/Services	PLANNED 9. Train all staff and implement the consistent use of Math pacing guide Develop ELA pacing guide	ACTUAL 9. No specific pacing guides were created. Teachers aligned benchmark assessments with math instruction.
Expenditures	BUDGETED Teacher and Academic Advisor Release time 1000-1999: Certificated Personnel Salaries Base 15,000	ESTIMATED ACTUAL Work of aligning benchmarks to math instruction did not require release time. 0

Action **10**

Actions/Services	PLANNED 10. Train all staff and implement the use of an English Language Development curriculum guide.	ACTUAL 10. A new ELA curriculum was adopted that encompasses an ELD component.
Expenditures	BUDGETED No Cost	ESTIMATED ACTUAL No Cost

Action **11**

Actions/Services	PLANNED 11. Implement common core aligned report card, continue benchmarks	ACTUAL 11. The district is still moving towards Implementing a common core aligned report card. The district continued to administer benchmark assessments.
Expenditures	BUDGETED Continued cost of data management system 5000-5999: Services And Other Operating Expenditures Base 17,200	ESTIMATED ACTUAL Continued cost of data management system 5000-5999: Services And Other Operating Expenditures Base 17,200

Action **12**

Actions/Services	PLANNED 12. Train staff on Google Apps, training on chromebook carts, more carts based on usage/need	ACTUAL 12. Training was provided on-site to staff on Google Apps and training related to chromebooks. The district purchased 4 additional chromebook carts.
Expenditures	BUDGETED Purchase 4 chromebook carts 4000-4999: Books And Supplies Base 40,000	ESTIMATED ACTUAL Purchased 4 chromebook carts 4000-4999: Books And Supplies Base 40,000

Action **13**

Actions/Services	PLANNED 13. Adopt English Language Arts curriculum with embedded ELD component	ACTUAL 13. The district adopted English Language Arts curriculum with embedded ELD component
Expenditures	BUDGETED Purchase of curriculum materials 4000-4999: Books And Supplies Base 400,000	ESTIMATED ACTUAL Purchase of curriculum materials 4000-4999: Books And Supplies Base 430,000

Action **14**

Actions/Services	PLANNED 14. Continuing with 30 minutes of daily ELD Instruction	ACTUAL 14. Continuing with 30 minutes of daily ELD Instruction
Expenditures	BUDGETED No Cost	ESTIMATED ACTUAL No Cost

ANALYSIS

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

The district moved into the second year of the recent math adoption with subsequent adjustments to aligning instruction with benchmark assessments. A new ELA curriculum was adopted to be used beginning the 2017/2018 school year via a textbook adoption committee consisting of teachers representing grades TK-12. Learning Directors attended as well, and helped to facilitate the process. As needed, teachers were given opportunities to visit each other classrooms on site to observe best practices related to working with English learners, socioeconomically disadvantaged students, students with special needs, and any additional support related to the recent math adoption. A district-wide professional development calendar was created for the year. Pacing guides and new report cards based on the common core state standards were not created and these are areas that the district will be exploring after the implementation of the new ELA adoption.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The district recognizes the benefits of teacher collaboration. By allowing teachers to observe effective classroom strategies, and coordinate with Learning Directors, the district is moving in a better direction regarding supporting new or struggling teachers. The next step for the district in this work is better documentation of visits, and the results of changes in practices due to those observations. Learning Directors have proven to be a good resource to teachers who may otherwise not seek assistance from site administration. Learning Directors were also an integral part of the district’s ELA adoption. They were able to facilitate teacher focus groups and maintain the focus on adopting the best materials for all student groups.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

There were minor material differences between budgeted expenditures and estimated actual expenditures. It was decided to not bring in outside consultants or trainers during this school year as we were still adjusting to the new math curriculum, including adjusting benchmark assessments, preparing for the new ELA adoption, and implementing a new RTI program. The ELA adoption was only slightly more expensive than budgeted and no new math textbooks were needed.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

No changes were made to this goal.

Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 2

All students will progress towards meeting the minimum proficiency requirements and decrease achievement gaps as indicated on district benchmark assessments, CAASPP Interim assessments, and CAASPP Summative assessments (after baseline data has been established in 2015-16).

State and/or Local Priorities Addressed by this goal:

STATE	<input type="checkbox"/>	1	<input type="checkbox"/>	2	<input type="checkbox"/>	3	<input checked="" type="checkbox"/>	4	<input type="checkbox"/>	5	<input type="checkbox"/>	6	<input type="checkbox"/>	7	<input type="checkbox"/>	8
COE	<input type="checkbox"/>	9	<input type="checkbox"/>	10												
LOCAL																

ANNUAL MEASURABLE OUTCOMES

EXPECTED

The percentage of students meeting or exceeding standards in 2015-2016 CAASPP interim and summative assessments for math and ELA will increase by 10%.

Priority 4

- State assessments:
 1. The percentage of students meeting or exceeding standards in 2015-16 CAASPP summative assessments for math and ELA will increase by 10%. 2015-16 CAASPP results are pending.
 2. The percentage of students scoring proficient or advanced in 2015-16 CST Science will increase by 10%.

CAASPP test scores will improve from 2015 to 2016 by 10% overall and in all subgroups.

ELA-45%
Math-32%

- API--N/A
- Percent of students completing UC/CSU required courses
45% District-Wide
- Percent of students completing a CTE Course Sequence

ACTUAL

The percentage of students meeting or exceeding standards in 2015-2016 CAASPP interim and summative assessments for math and ELA will increase by 10%.

Priority 4

- State assessments:
 1. The percentage of students meeting or exceeding standards in 2015-16 CAASPP summative assessments for math increased by 17% and ELA increased by 15%.
 2. The percentage of students scoring proficient or advanced in 2015-16 CST Science increased by 1%.

CAASPP test scores did improve overall from 2015 to 2016 by more than 10% overall, but did not improve in all subgroups. Students with disabilities did not increase in either mathematics or ELA and students identifying as two or more races declined in mathematics.

ELA-47%
Math-34%

- API--N/A
- Percent of students completing UC/CSU required courses
45% District-Wide
- Percent of students completing a CTE Course Sequence

55% CTE completion rate

- CELDT-The percentage of English learner pupils who make progress toward proficiency will increase by 5% from 32.4% as measured by CELDT.

We expect to see a 10% total increase in progress from a minimum of at least one level from the previous year's scores:

- EL reclassification rate

EL recalssification rate of 40%

- Percent of students who passed AP exams with a score of 3 or higher is 20%
- Early Assessment Project (EAP) College Ready rates for math and ELA
For ELA, 35% ready and 40% conditional. For Math, 15% ready with another 20% conditional.

55% CTE completion rate

- CELDT-The percentage of English learner pupils who made progress toward proficiency will increased by 5% from 32.4% as measured by CELDT.

We expect to see a 10% total increase in progress from a minimum of at least one level from the previous year's scores:

- EL reclassification rate

EL recalssification rate was 51%

- Percent of students who passed AP exams with a score of 3 or higher is 20%
- Early Assessment Project (EAP) College Ready rates for math and ELA
For ELA, 35% ready and 40% conditional. For Math, 15% ready with another 20% conditional.

ANALYSIS

Complete a copy of the following table for each of the LEA’s goals from the prior year LCAP. Duplicate the table as needed.

Use actual annual measurable outcome data, including performance data from the LCFF Evaluation Rubrics, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 3

The district will complete 100% of the projects identified for the 2015-16 seven year facility plan.

State and/or Local Priorities Addressed by this goal:

STATE	<input checked="" type="checkbox"/>	1	<input type="checkbox"/>	2	<input type="checkbox"/>	3	<input type="checkbox"/>	4	<input type="checkbox"/>	5	<input type="checkbox"/>	6	<input type="checkbox"/>	7	<input type="checkbox"/>	8
COE	<input type="checkbox"/>	9	<input type="checkbox"/>	10												
LOCAL																

ANNUAL MEASURABLE OUTCOMES

EXPECTED

Review of projects completed on 7 year facilities plan. Progress made on items identified on Williams Facility Inspection Tool (FIT) walks.

Priority 1

- Number/rate of teachers not fully credentialed : 4
- Number/rate of teachers teaching outside of subject area competence: 1
- Number/rate of teachers teaching ELs without authorization: 4
- Number/rate of core classes taught by HQTs: BHS - 30 and DHS - 55
- Number/rate of students lacking their own textbook: 0
- Overall Facility rating from Facility Inspection Tool (FIT): 50% Good/ 50% Exemplary

ACTUAL

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Action	1	
Actions/Services	PLANNED 1. Director of FOPT will have a bi-annual FIT walk in January and June with site principal and district administrator. Revise 7 facility plan based on January FIT.	ACTUAL
Expenditures	BUDGETED No Cost	ESTIMATED ACTUAL
Action	2	
Actions/Services	PLANNED 2. Director of FOPT will have 2 documented informal site walks in October and April to address items noted on the FIT and other concerns.	ACTUAL
Expenditures	BUDGETED No Cost	ESTIMATED ACTUAL
Action	3	
Actions/Services	PLANNED 3. District will allocate 200,000 to 16-17 facilities projects.	ACTUAL
Expenditures	BUDGETED Repair district facilities 6000-6999: Capital Outlay Base 200,000	ESTIMATED ACTUAL

ANALYSIS

Annual Update

LCAP Year Reviewed: 2016-17

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 5

The district will expand the course offerings and establish career pathways for career readiness as determined by research done in 2014-15.

State and/or Local Priorities Addressed by this goal:

STATE	<input type="checkbox"/>	1	<input type="checkbox"/>	2	<input type="checkbox"/>	3	<input type="checkbox"/>	4	<input type="checkbox"/>	5	<input type="checkbox"/>	6	<input checked="" type="checkbox"/>	7	<input checked="" type="checkbox"/>	8
COE	<input type="checkbox"/>	9	<input type="checkbox"/>	10												
LOCAL																

ANNUAL MEASURABLE OUTCOMES

EXPECTED

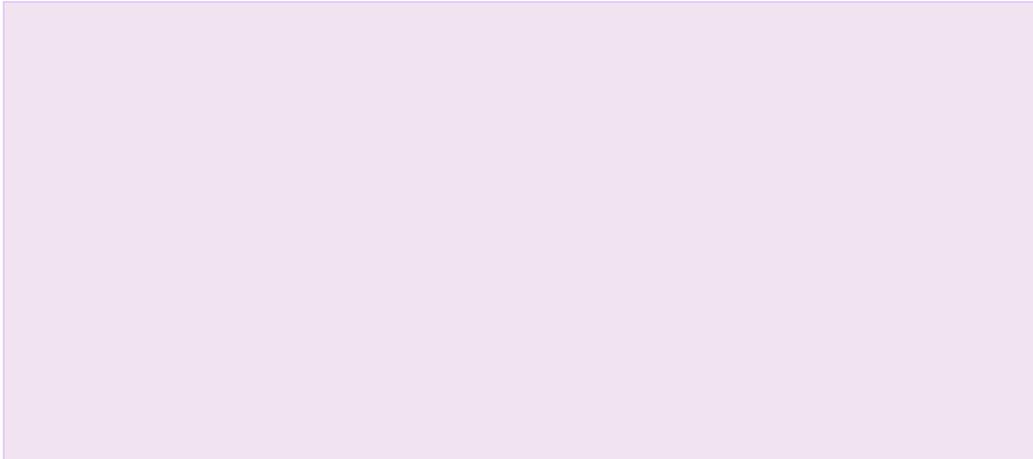

- Priority 7
- Rate of students enrolled in CTE courses (grades 7-12)
35% enrollment rate for Jr and Sr. 20% overall.
 - Rate of students enrolled in UC/CSU required courses (grades 9-12)
78%
 - Number/rate of AP courses offered (grades 9-12)
6 Ap courses
 - Rate of students enrolled in AP courses
32%
 - Rate of remedial course enrollment
7%
 - Unduplicated pupils have access to full course of study
 - Number/rate of course offerings for students with exceptional needs (SDC classes)
6 classes total. (3 elementary, 3 middle/high school) / 75% course rate

ACTUAL

- All K-8 grade students have full access to all courses in compliance with Ed. Code 51210. All students in grades 9-12 have full access to all courses in compliance with Ed. Code 51220

Priority 8

- AP Exam Participation Rate (rate of students who took ap classes and tested or rate of students in school eligible for and took ap classes)
90% of students enrolled in an AP course has taken the AP exam

ACTIONS / SERVICES

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Stakeholder Engagement

LCAP Year

2017-18 2018-19 2019-20

INVOLVEMENT PROCESS FOR LCAP AND ANNUAL UPDATE

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

District Survey sent out April 24, 2016, via Survey Monkey to parents, staff, and students. Survey was available online, online at a school computer, and via paper copy. Stakeholders were notified about the availability of the survey through School Messenger, the district website, and district email.

District-Wide LCAP town hall meetings were not held during the 2015/2016 school year. During the 2015/2016 school year multiple meetings were held with very low community attendance. The LCAP was instead discussed at the site level to engage parents, as well as a District Advisory Committee (DAC) meeting. The LCAP was discussed at the board meeting on September 9th, 2015 in open session; LCAP goals and planned actions were discussed.

On March 3, 2016, the DAC committee reviewed the prior year staff, student, and parent surveys and revisions were made. LCAP goals and actions were also discussed.

Throughout the year LCAP goals and actions were discussed during teacher collaborations of each month. At Desert Jr./Sr. High collaborations they discussed it at the 9/2/15, 10/7/15, 1/20/16, and 4/20/16 meetings. At Branch Elementary it was discussed at the 9/2/15, 12/11/15, and 3/10/16 meetings. At West Boron Elementary it was discussed on 9/2/2015, 10/7/15 and 4/6/16. At Boron Jr/Sr High they were discussed at 10/7/15, 11/4/15, 12/7/15, 2/3/16, 3/2/16, and 4/10/16.

Administrators were convened on January 25th, 2015, to receive training from COE and then review LCAP to begin updating the LCAP using all the data gathered from stakeholders from previous and current school year.

The draft copy of the LCAP was sent for early review to KCSOS on June 3, 2016

Each school site also took the LCAP to their school site councils (SSC). Boron Jr/Sr high discussed it at the 10/11/15, 12/11/15, and 3/17/16. At Desert Jr./Sr. High they discussed on 2/22/16 and 4/4/16. At Branch it was discussed at 9/14/15, 1/21/16, and 3/17/16. At West Boron Elementary it was discussed at the 11/17/15, 1/19/16, and 3/15/16 meetings.

At the DELAC meetings on 10/21/15 and 12/15/15 the district discussed the LCAP was and the importance of parent involvement. LCAP goals and actions were reviewed and discussed.

The LCAP was discussed with the West Boron ELAC on 11/5/15, 1/7/16, 3/3/16, 5/5/16

Bargaining units were given opportunity to comment on the LCAP through staff meetings, collaboration meetings, and department meetings at the site and district level.

Superintendent did not receive comments that need written response.

Based on feedback and observations from the 14-15 LCAP, LCAP goals were not adjusted, but actions to meet those goals were. The district's attempt to involve parents and the community members at the school site level rather than formal community meetings had some success, but did not have the desired outcome.

IMPACT ON LCAP AND ANNUAL UPDATE

How did these consultations impact the LCAP for the upcoming year?

Survey was used to help identify continuing and new needs for the LCAP to focus on. Actions regarding district goals were revised in areas which were identified and limited progress was made in the districts first LCAP (2014-2015)

Conversation and topics were addressed in the public meetings where the LCAP was discussed. As part of the DAC committee meeting discussion, the parent survey was adjusted to allow more detailed responses from the community on the conditions of schools, school safety, and overall educational program benefits. Feedback from these discussions was used to ensure goals and actions addressed the need of the students. The district will hold two public meetings for dedicated discussion of the LCAP. These meetings will be held prior to board meetings, one in September and another in February in anticipation that more community members, who would be attending the board meeting, will be able to attend the LCAP meeting.

The DAC helped guide the information gathering process, the review of LCAP led to discussion on goals and actions led to revising and/or clarifying actions and survey questions related to responses from the community on the conditions of schools, school safety, and overall educational program benefits.

Feedback was incorporated to ensure LCAP goals and actions were aligned to student needs.

Revised the LCAP based on the feedback gathered through the various sources. State testing data, and survey results were shared with stakeholders. As a result of feedback from stakeholders, Learning Directors assume a greater role in monitoring educational programs and LCAP goals and actions in lieu of previously planned classified positions. Stakeholders agreed that the goals in the LCAP should remain the same for the 2016/2017 school year.

Review to ensure compliance.

Feedback was gathered and used to ensure goals and actions aligned to district and student needs.

Continued support for access to Rosetta Stone. General ideas on EL and the needs of the EL population.

Feedback on ELL goals was gathered, focus on continuing the use of Rosetta Stone for EL students and their families.

Focused on increasing input opportunities and methods to increase number of parents and community members participating. Moving forward, the district will continue to include parents and community members in the LCAP review and revision process at the site level, but will also hold community meetings focused on the LCAP and the progress towards meeting the established goals. The DAC meetings are essential to receiving parent input and monthly DAC meetings will be held for the 2016/2017 school year. Efforts to engage the community in this process will be a continued focus of the school district.

Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

New
 Modified
 Unchanged

Goal 1

100% of all classroom instruction will be based on Math common core standards by 2016-17 and ELA common core standards by 2017-18, and will be evidenced by rigorous content and the application of knowledge through higher-order thinking skills.

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8
 COE 9 10
 LOCAL

Identified Need

2. Based on classroom observations classrooms are not teaching common core 100%.
 Based on classroom observations 100% of each classroom's instruction is aligned to CCSS math.
 Based on classroom observations 80% of each classroom's instruction is aligned to CCSS ELA/ELD.
 Based on classroom observations 25% of each classrooms's instruction is aligned to NGSS.

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
Walkthroughs of classrooms by site administration and Learning Directors to observe standards being taught.		100% of each classroom's instruction is aligned to common core math as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 75% of each classroom's instruction is aligned to common core ELA as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. Priority 2 District identified <ul style="list-style-type: none"> Based on site/district administration classroom walkthroughs and observations 100% of each 	100% of each classroom's instruction is aligned to common core math as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. 75% of each classroom's instruction is aligned to common core ELA as evidenced by walkthroughs, lesson plans, and district benchmark/CAASPP assessment data. Goals, Actions, & Services

Strategic Planning Details and Accountability

Complete a copy of the following table for each of the LEA's goals. Duplicate the table as needed.

New
 Modified
 Unchanged

Goal 2

All students will progress towards meeting the minimum proficiency requirements and decrease achievement gaps as indicated on district benchmark assessments, CAASPP Interim assessments, and CAASPP Summative assessments (after baseline data has been established in 2015-16).

State and/or Local Priorities Addressed by this goal:

STATE 1 2 3 4 5 6 7 8
 COE 9 10
 LOCAL

Identified Need

4. 18% proficient in Math and 31% in ELA performance on statewide standardized test as evidenced by progress on established baseline data.

EXPECTED ANNUAL MEASURABLE OUTCOMES

Metrics/Indicators	Baseline	2017-18	2018-19	2019-20
		The percentage of students meeting or exceeding standards in 2016-2017 CAASPP interim and summative assessments for math and ELA will increase by 10%. Priority 4 <ul style="list-style-type: none"> State assessments: <ol style="list-style-type: none"> The percentage of students meeting or exceeding standards in 2016-17 CAASPP summative assessments for math and ELA will increase by 10%. 2016-17 CAASPP results are pending. The percentage of students scoring proficient or advanced in 2016-17 CST Science will increase by 10%. 	The percentage of students meeting or exceeding standards in 2017-2018 CAASPP interim and summative assessments for math and ELA will increase by 10%. Priority 4 <ul style="list-style-type: none"> State assessments: <ol style="list-style-type: none"> The percentage of students meeting or exceeding standards in 2017-18 CAASPP summative assessments for math and ELA will increase by 10%. 2015-16 CAASPP results are pending. The percentage of students scoring proficient or advanced in 2017-18 CST Science will increase by 10%. CAASPP test scores will improve from 2016 to 2017 by	

CAASPP test scores will improve from 2016 to 2017 by 15% overall and in all subgroups.

ELA-52%
Math-37%

- API--N/A
- Percent of students completing UC/CSU required courses
48% District-Wide
- Percent of students completing a CTE Course Sequence
60% CTE completion rate
- CELDT-The percentage of English learner pupils who make progress toward proficiency will increase by 5% from previous year's CELDT data.

We expect to see a 10% total increase in progress from a minimum of at least one level from the previous year's scores:

- EL reclassification rate
EL recalssification rate of 45%
- Percent of students who passed AP exams with a score of 3 or higher is 25%
- Early Assessment Project (EAP) College Ready rates for math and ELA

15% overall and in all subgroups.

ELA-60%
Math-43%

- API--N/A
- Percent of students completing UC/CSU required courses
50% District-Wide
- Percent of students completing a CTE Course Sequence
65% CTE completion rate
- CELDT-The percentage of English learner pupils who make progress toward proficiency will increase by 5% from previous year's CELDT data.

We expect to see a 10% total increase in progress from a minimum of at least one level from the previous year's scores:

- EL reclassification rate
EL recalssification rate of 47%
- Percent of students who passed AP exams with a score of 3 or higher is 30%
- Early Assessment Project (EAP) College Ready rates for math and ELA
For ELA, 40% ready and 45% conditional. For Math, 30% ready with another 30% conditional.

For ELA, 37% ready and 42% conditional. For Math, 20% ready with another 25% conditional.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year 2017–18 2018–19 2019–20

Estimated Supplemental and Concentration Grant Funds: \$543,427

Percentage to Increase or Improve Services: 3.75%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

The district will be spending supplemental grant funding as determined by the district's goals as outlined in section 2 of this LCAP and actions to progress towards those goals as outlined in section 2. Services and expenditures funded with supplemental monies will be principally directed to support the unduplicated students.

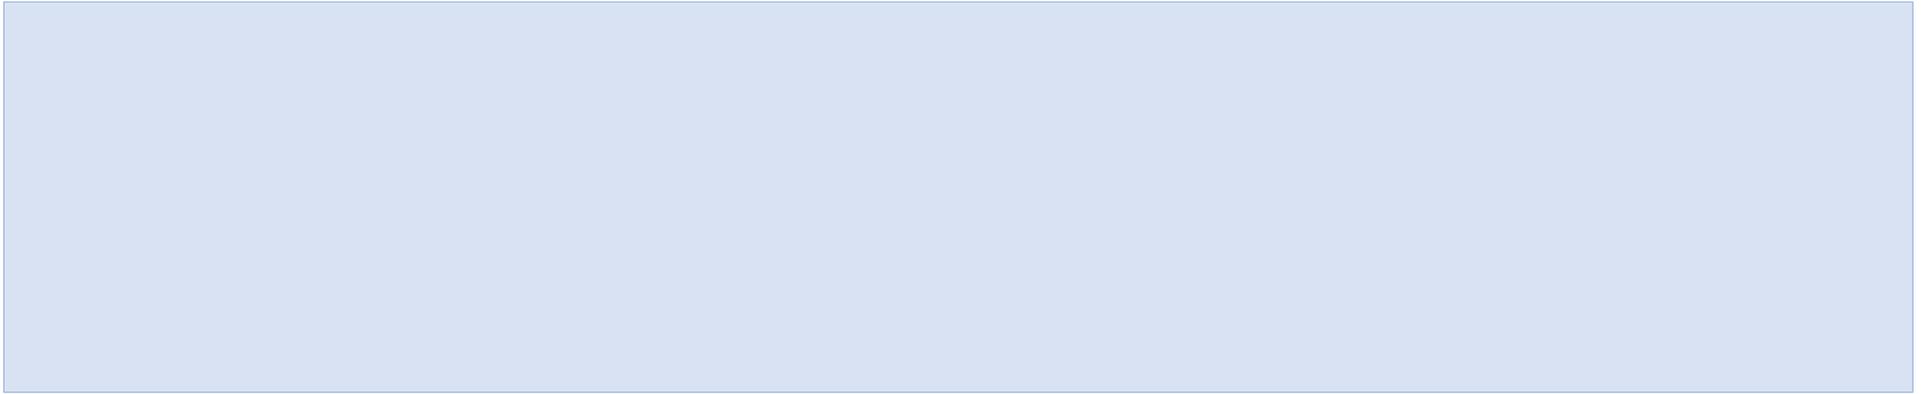

Muroc Joint Union School District has an unduplicated rate of 28.69%. Beyond directly targeted services outlined in Section 2, the district has determined that the most effective use of its LCFF supplemental and concentration grant funds would be to provide district-wide interventions. Although interventions will be implemented district-wide, they will be principally directed at the unduplicated population because they represent the majority of students needing those interventions. The alternative would be to provide interventions only for targeted pupils. In the spirit of education, and the LCAP, it is unreasonable to exclude a student in need of intervention and allow them to fall behind simply because they are not generating supplemental monies.

Interventions under the RTI model have been demonstrated as effective as indicated in research conducted by Richard DuFour, Rebecca DuFour, Robert Eacker, Thomas Many, and Robert J Marzano. RTI interventions will be provided to all students, on a dedicated and scheduled basis.

Services for low income, foster youth, and English learners will be increased/improved as identified in Section 2 of this Local Control Accountability Plan in the following areas:

Increase professional development for staff

- Purchase EL component of ELA curriculum
- Implement intervention
- Expand before/after school program
- Increase time for Academic Adviser
- Expand availability of parent resources
- Increase parent outreach
- Create targeted interventions

Revised Local Control and Accountability Plan and Annual Update Template Instructions

Addendum

The Local Control and Accountability Plan (LCAP) and Annual Update Template documents and communicates local educational agencies' (LEAs) actions and expenditures to support student outcomes and overall performance. For school districts and county offices of education, the LCAP is a three-year plan which is reviewed and updated in the second and third years of the plan. Charter schools may complete the LCAP to align with the term of the charter school's budget, typically one year, which is submitted to the school's authorizer. The LCAP and Annual Update Template must be completed by all LEAs each year.

For school districts, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all students and each student group identified by the Local Control Funding Formula (LCFF) (ethnic, socioeconomically disadvantaged, English learners, foster youth, pupils with disabilities, and homeless youth), for each of the state priorities and any locally identified priorities.

For county offices of education, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all students and each LCFF student group funded through the county office of education (students attending juvenile court schools, on probation or parole, or expelled under certain conditions) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services funded by a school district that are provided to students attending county-operated schools and programs, including special education programs.

If a county superintendent of schools has jurisdiction over a single school district, the county board of education and the governing board of the school district may adopt and file for review and approval a single LCAP consistent with the requirements in Education Code (EC) sections 52060, 52062, 52066, 52068, and 52070. The LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted and actual expenditures are aligned.

Charter schools must describe goals and specific actions to achieve those goals for all students and each LCFF subgroup of students including students with disabilities and homeless youth, for each of the state priorities that apply for the grade levels served or the nature of the program operated by the charter school, and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code. Changes in LCAP goals and actions/services for charter schools that result from the annual update process do not necessarily constitute a material revision to the school's charter petition.

For questions related to specific sections of the template, please see instructions below:

For additional questions or technical assistance related to completion of the LCAP template, please contact the local county office of education, or the CDE's Local Agency Systems Support Office at: 916-319-0809 or by email at: lcff@cde.ca.gov.

Plan Summary

The LCAP is intended to reflect an LEA's annual goals, actions, services and expenditures within a fixed three-year planning cycle. LEAs must include a plan summary for the LCAP each year.

When developing the LCAP, mark the appropriate LCAP year, and address the prompts provided in these sections. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous summary information with information relevant to the current year LCAP.

In this section, briefly address the prompts provided. These prompts are not limits. LEAs may include information regarding local program(s), community demographics, and the overall vision of the LEA. LEAs may also attach documents (e.g., the LCFF Evaluation Rubrics data reports) if desired and/or include charts illustrating goals, planned outcomes, actual outcomes, or related planned and actual expenditures.

An LEA may use an alternative format for the plan summary as long as it includes the information specified in each prompt and the budget summary table.

The reference to LCFF Evaluation Rubrics means the evaluation rubrics adopted by the State Board of Education under *EC* Section 52064.5.

Budget Summary

The LEA must complete the LCAP Budget Summary table as follows:

- **Total LEA General Fund Budget Expenditures for the LCAP Year:** This amount is the LEA's total budgeted General Fund expenditures for the LCAP year. The LCAP year means the fiscal year for which an LCAP is adopted or updated by July 1. The General Fund is the main operating fund of the LEA and accounts for all activities not accounted for in another fund. All activities are reported in the General Fund unless there is a compelling reason to account for an activity in another fund. For further information please refer to the *California School Accounting Manual* (<http://www.cde.ca.gov/fg/ac/sa/>). (Note: For some charter schools that follow governmental fund accounting, this amount is the total budgeted expenditures in the Charter Schools Special Revenue Fund. For charter schools that follow the not-for-profit accounting model, this amount is total budgeted expenses, such as those budgeted in the Charter Schools Enterprise Fund.)
- **Total Funds Budgeted for Planned Actions/Services to Meet the Goals in the LCAP for the LCAP Year:** This amount is the total of the budgeted expenditures associated with the actions/services included for the LCAP year from all sources of funds, as reflected in the LCAP. To the extent actions/services and/or expenditures are listed in the LCAP under more than one goal, the expenditures should be counted only once.
- **Description of any use(s) of the General Fund Budget Expenditures specified above for the LCAP year not included in the LCAP:** Briefly describe expenditures included in total General Fund Expenditures that are not included in the total funds budgeted for planned actions/services for

the LCAP year. (Note: The total funds budgeted for planned actions/services may include funds other than general fund expenditures.)

- **Total Projected LCFF Revenues for LCAP Year:** This amount is the total amount of LCFF funding the LEA estimates it will receive pursuant to *EC* sections 42238.02 (for school districts and charter schools) and 2574 (for county offices of education), as implemented by *EC* sections 42238.03 and 2575 for the LCAP year respectively.

Annual Update

The planned goals, expected outcomes, actions/services, and budgeted expenditures must be copied verbatim from the previous year's* approved LCAP. Minor typographical errors may be corrected.

* For example, for LCAP year 2017/18 of the 2017/18 – 2019/20 LCAP, review the goals in the 2016/17 LCAP. Moving forward, review the goals from the most recent LCAP year. For example, LCAP year 2020/21 will review goals from the 2019/20 LCAP year, which is the last year of the 2017/18 – 2019/20 LCAP.

Annual Measurable Outcomes

For each goal in the prior year, identify and review the actual measurable outcomes as compared to the expected annual measurable outcomes identified in the prior year for the goal.

Actions/Services

Identify the planned Actions/Services and the budgeted expenditures to implement these actions toward achieving the described goal. Identify the **actual** actions/services implemented to meet the described goal and the estimated actual annual expenditures to implement the actions/services. As applicable, identify any changes to the students or student groups served, or to the planned location of the actions/services provided.

Analysis

Using actual annual measurable outcome data, including data from the LCFF Evaluation Rubrics, analyze whether the planned actions/services were effective in achieving the goal. Respond to the prompts as instructed.

- Describe the overall implementation of the actions/services to achieve the articulated goal. Include a discussion of relevant challenges and successes experienced with the implementation process.
- Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.
- Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures. Minor variances in expenditures or a dollar-for-dollar accounting is not required.
- Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the data provided in the LCFF Evaluation Rubrics, as applicable. Identify where those changes can be found in the LCAP.

Stakeholder Engagement

Meaningful engagement of parents, students, and other stakeholders, including those representing the student groups identified by LCFF, is critical to the development of the LCAP and the budget process. Education Code identifies the minimum consultation requirements for school districts and county offices of education as consulting with teachers, principals, administrators, other school personnel, local bargaining units of the school district, parents, and pupils in developing the LCAP. Education Code requires charter schools to consult with teachers, principals, administrators, other school personnel, parents, and pupils in developing the LCAP. In addition, Education Code Section 48985 specifies the requirements for the translation of notices, reports, statements, or records sent to a parent or guardian.

The LCAP should be shared with, and LEAs should request input from, school site-level advisory groups, as applicable (e.g., school site councils, English Learner Advisory Councils, student advisory groups, etc.), to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet specific goals.

Instructions: The stakeholder engagement process is an ongoing, annual process. The requirements for this section are the same for each year of a three-year LCAP. When developing the LCAP, mark the appropriate LCAP year, and describe the stakeholder engagement process used to develop the LCAP and Annual Update. When developing the LCAP in year 2 or year 3, mark the appropriate LCAP year and replace the previous stakeholder narrative(s) and describe the stakeholder engagement process used to develop the current year LCAP and Annual Update.

School districts and county offices of education: Describe the process used to consult with the Parent Advisory Committee, the English Learner Parent Advisory Committee, parents, students, school personnel, the LEA's local bargaining units, and the community to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Charter schools: Describe the process used to consult with teachers, principals, administrators, other school personnel, parents, and students to inform the development of the LCAP and the annual review and analysis for the indicated LCAP year.

Describe how the consultation process impacted the development of the LCAP and annual update for the indicated LCAP year, including the goals, actions, services, and expenditures.

Goals, Actions, and Services

LEAs must include a description of the annual goals, for all students and each LCFF identified group of students, to be achieved for each state priority as applicable to type of LEA. An LEA may also include additional local priorities. This section shall also include a description of the specific planned actions an LEA will take to meet the identified goals, and a description of the expenditures required to implement the specific actions.

School districts and county offices of education: The LCAP is a three-year plan, which is reviewed and updated annually, as required.

Charter schools: The number of years addressed in the LCAP may align with the term of the charter schools budget, typically one year, which is submitted to the school's authorizer. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

New, Modified, Unchanged

As part of the LCAP development process, which includes the annual update and stakeholder engagement, indicate if the goal, identified need, related state and/or local priorities, and/or expected annual measurable outcomes for the current LCAP year or future LCAP years are modified or unchanged from the previous year's LCAP; or, specify if the goal is new.

Goal

State the goal. LEAs may number the goals using the "Goal #" box for ease of reference. A goal is a broad statement that describes the desired result to which all actions/services are directed. A goal answers the question: What is the LEA seeking to achieve?

Related State and/or Local Priorities

Identify the state and/or local priorities addressed by the goal by placing a check mark next to the applicable priority or priorities. The LCAP must include goals that address each of the state priorities, as applicable to the type of LEA, and any additional local priorities; however, one goal may address multiple priorities. ([Link to State Priorities](#))

Identified Need

Describe the needs that led to establishing the goal. The identified needs may be based on quantitative or qualitative information, including, but not limited to, results of the annual update process or performance data from the LCFF Evaluation Rubrics, as applicable.

Expected Annual Measurable Outcomes

For each LCAP year, identify the metric(s) or indicator(s) that the LEA will use to track progress toward the expected outcomes. LEAs may identify metrics for specific student groups. Include in the baseline column the most recent data associated with this metric or indicator available at the time of adoption of the LCAP for the first year of the three-year plan. The most recent data associated with a metric or indicator includes data as reported in the annual update of the LCAP year immediately preceding the three-year plan, as applicable. The baseline data shall remain unchanged throughout the three-year LCAP. In the subsequent year columns, identify the progress to be made in each year of the three-year cycle of the LCAP. Consider how expected outcomes in any given year are related to the expected outcomes for subsequent years.

The metrics may be quantitative or qualitative, but at minimum an LEA must use the applicable required metrics for the related state priorities, in each LCAP year as applicable to the type of LEA. For the student engagement priority metrics, as applicable, LEAs must calculate the rates as described in the [LCAP Template Appendix, sections \(a\) through \(d\)](#).

Planned Actions/Services

For each action/service, the LEA must complete either the section “For Actions/Services not contributing to meeting Increased or Improved Services Requirement” or the section “For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement.” The LEA shall not complete both sections for a single action.

For Actions/Services Not Contributing to Meeting the Increased or Improved Services Requirement

Students to be Served

The “Students to be Served” box is to be completed for all actions/services except for those which are included by the LEA as contributing to meeting the requirement to increase or improve services for unduplicated students. Indicate in this box which students will benefit from the actions/services by checking “All”, “Students with Disabilities”, or “Specific Student Group(s)”. If “Specific Student Group(s)” is checked, identify the specific student group(s) as appropriate.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

For Actions/Services Contributing to Meeting the Increased or Improved Services Requirement:

Students to be Served

For any action/service contributing to the LEA’s overall demonstration that it has increased or improved services for unduplicated students above what is provided to all students (see [Demonstration of Increased or Improved Services for Unduplicated Students](#) section, below), the LEA must identify the unduplicated student group(s) being served.

Scope of Service

For each action/service contributing to meeting the increased or improved services requirement, identify scope of service by indicating “LEA-wide”, “Schoolwide”, or “Limited to Unduplicated Student Group(s)”. The LEA must select one of the following three options:

- If the action/service is being funded and provided to upgrade the entire educational program of the LEA, place a check mark next to “LEA-wide.”
- If the action/service is being funded and provided to upgrade the entire educational program of a particular school or schools, place a check mark next to “schoolwide”.
- If the action/service being funded and provided is limited to the unduplicated students identified in “Students to be Served”, place a check mark next to “Limited to Student Groups”.

For charter schools and single-school school districts, “LEA-wide” and “Schoolwide” may be synonymous and, therefore, either would be appropriate. For charter schools operating multiple schools (determined by a unique CDS code) under a single charter, use “LEA-wide” to refer to all schools under the charter and use “Schoolwide” to refer to a single school authorized within the same charter petition. Charter schools operating a single school may use “LEA-wide” or “Schoolwide” provided these terms are used in a consistent manner through the LCAP.

Location(s)

Identify the location where the action/services will be provided. If the services are provided to all schools within the LEA, the LEA must indicate “All Schools”. If the services are provided to specific schools within the LEA or specific grade spans only, the LEA must mark “Specific Schools” or “Specific Grade Spans”. Identify the individual school or a subset of schools or grade spans (e.g., all high schools or grades K-5), as appropriate.

Charter schools operating more than one site, authorized within the same charter petition, may choose to distinguish between sites by selecting “Specific Schools” and identify the site(s) where the actions/services will be provided. For charter schools operating only one site, “All Schools” and “Specific Schools” may be synonymous and, therefore, either would be appropriate. Charter schools may use either term provided they are used in a consistent manner through the LCAP.

Actions/Services

For each LCAP year, identify the actions to be performed and services provided to meet the described goal. Actions and services that are implemented to achieve the identified goal may be grouped together. LEAs may number the action/service using the “Action #” box for ease of reference.

New/Modified/Unchanged:

- Check “New” if the action/service is being added in any of the three years of the LCAP to meet the articulated goal.
- Check “Modified” if the action/service was included to meet an articulated goal and has been changed or modified in any way from the prior year description.
- Check “Unchanged” if the action/service was included to meet an articulated goal and has not been changed or modified in any way from the prior year description.
 - If a planned action/service is anticipated to remain unchanged for the duration of the plan, an LEA may check “Unchanged” and leave the subsequent year columns blank rather than having to copy/paste the action/service into the subsequent year columns. Budgeted expenditures may be treated in the same way as applicable.

Note: The goal from the prior year may or may not be included in the current three-year LCAP. For example, when developing year 1 of the LCAP, the goals articulated in year 3 of the preceding three-year LCAP will be from the prior year.

Charter schools may complete the LCAP to align with the term of the charter school’s budget that is submitted to the school’s authorizer. Accordingly, a charter school submitting a one-year budget to its authorizer may choose not to complete the year 2 and year 3 portions of the Goals, Actions, and

Services section of the template. If year 2 and/or year 3 is not applicable, charter schools must specify as such.

Budgeted Expenditures

For each action/service, list and describe budgeted expenditures for each school year to implement these actions, including where those expenditures can be found in the LEA's budget. The LEA must reference all fund sources for each proposed expenditure. Expenditures must be classified using the California School Accounting Manual as required by *Education Code* sections 52061, 52067, and 47606.5.

Expenditures that are included more than once in an LCAP must be indicated as a duplicated expenditure and include a reference to the goal and action/service where the expenditure first appears in the LCAP.

If a county superintendent of schools has jurisdiction over a single school district, and chooses to complete a single LCAP, the LCAP must clearly articulate to which entity's budget (school district or county superintendent of schools) all budgeted expenditures are aligned.

Demonstration of Increased or Improved Services for Unduplicated Students

This section must be completed for each LCAP year. When developing the LCAP in year 2 or year 3, copy the Demonstration of Increased or Improved Services for Unduplicated Students table and mark the appropriate LCAP year. Using the copy of the table, complete the table as required for the current year LCAP. Retain all prior year tables for this section for each of the three years within the LCAP.

Estimated Supplemental and Concentration Grant Funds

Identify the amount of funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner students as determined pursuant to 5 CCR 15496(a)(5).

Percentage to Increase or Improve Services

Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all students in the LCAP year as calculated pursuant to 5 CCR 15496(a)(7).

Consistent with the requirements of 5 CCR 15496, describe how services provided for unduplicated pupils are increased or improved by at least the percentage calculated as compared to services provided for all students in the LCAP year. To improve services means to grow services in quality and to increase services means to grow services in quantity. This description must address how the action(s)/service(s) limited for one or more unduplicated student group(s), and any schoolwide or districtwide action(s)/service(s) supported by the appropriate description, taken together, result in the required proportional increase or improvement in services for unduplicated pupils.

If the overall increased or improved services include any actions/services being funded and provided on a schoolwide or districtwide basis, identify each action/service and include the required descriptions supporting each action/service as follows.

For those services being provided on an LEA-wide basis:

- For school districts with an unduplicated pupil percentage of 55% or more, and for charter schools and county offices of education: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities.
- For school districts with an unduplicated pupil percentage of less than 55%: Describe how these services are **principally directed to** and **effective in** meeting its goals for unduplicated pupils in the state and any local priorities. Also describe how the services are **the most effective use of the funds to** meet these goals for its unduplicated pupils. Provide the basis for this determination, including any alternatives considered, supporting research, experience or educational theory.

For school districts only, identify in the description those services being funded and provided on a schoolwide basis, and include the required description supporting the use of the funds on a schoolwide basis:

- For schools with 40% or more enrollment of unduplicated pupils: Describe how these services are **principally directed to** and **effective in** meeting its goals for its unduplicated pupils in the state and any local priorities.
- For school districts expending funds on a schoolwide basis at a school with less than 40% enrollment of unduplicated pupils: Describe how these services are **principally directed to** and how the services are **the most effective use of the funds to** meet its goals for English learners, low income students and foster youth, in the state and any local priorities.

State Priorities

Priority 1: Basic Services addresses the degree to which:

- A. Teachers in the LEA are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- B. Pupils in the school district have sufficient access to the standards-aligned instructional materials; and
- C. School facilities are maintained in good repair.

Priority 2: Implementation of State Standards addresses:

- A. The implementation of state board adopted academic content and performance standards for all students, which are:
 - a. English Language Arts – Common Core State Standards for English Language Arts
 - b. Mathematics – Common Core State Standards for Mathematics
 - c. English Language Development
 - d. Career Technical Education
 - e. Health Education Content Standards
 - f. History-Social Science
 - g. Model School Library Standards
 - h. Physical Education Model Content Standards
 - i. Next Generation Science Standards
 - j. Visual and Performing Arts
 - k. World Language; and
- B. How the programs and services will enable English learners to access the CCSS and the ELD standards for purposes of gaining academic content knowledge and English language proficiency.

Priority 3: Parental Involvement addresses:

- A. The efforts the school district makes to seek parent input in making decisions for the school district and each individual school site;
- B. How the school district will promote parental participation in programs for unduplicated pupils; and
- C. How the school district will promote parental participation in programs for individuals with exceptional needs.

Priority 4: Pupil Achievement as measured by all of the following, as applicable:

- A. Statewide assessments;
- B. The Academic Performance Index;
- C. The percentage of pupils who have successfully completed courses that satisfy UC or CSU entrance requirements, or programs of study that align with state board approved career technical educational standards and framework;
- D. The percentage of English learner pupils who make progress toward English proficiency as measured by the CELDT;
- E. The English learner reclassification rate;
- F. The percentage of pupils who have passed an advanced placement examination with a score of 3 or higher; and
- G. The percentage of pupils who participate in, and demonstrate college preparedness pursuant to, the Early Assessment Program, or any subsequent assessment of college preparedness.

Priority 5: Pupil Engagement as measured by all of the following, as applicable:

- A. School attendance rates;
- B. Chronic absenteeism rates;

- C. Middle school dropout rates;
- D. High school dropout rates; and
- E. High school graduation rates;

Priority 6: School Climate as measured by all of the following, as applicable:

- A. Pupil suspension rates;
- B. Pupil expulsion rates; and
- C. Other local measures, including surveys of pupils, parents, and teachers on the sense of safety and school connectedness.

Priority 7: Course Access addresses the extent to which pupils have access to and are enrolled in:

- A. A broad course of study including courses described under Sections 51210 and 51220(a)-(i), as applicable;
- B. Programs and services developed and provided to unduplicated pupils; and
- C. Programs and services developed and provided to individuals with exceptional needs.

Priority 8: Pupil Outcomes addresses pupil outcomes, if available, for courses described under Sections 51210 and 51220(a)-(i), as applicable.

Priority 9: Coordination of Instruction of Expelled Pupils (COE Only) addresses how the county superintendent of schools will coordinate instruction of expelled pupils

Priority 10. Coordination of Services for Foster Youth (COE Only) addresses how the county superintendent of schools will coordinate services for foster children, including:

- A. Working with the county child welfare agency to minimize changes in school placement
- B. Providing education-related information to the county child welfare agency to assist in the delivery of services to foster children, including educational status and progress information that is required to be included in court reports;
- C. Responding to requests from the juvenile court for information and working with the juvenile court to ensure the delivery and coordination of necessary educational services; and
- D. Establishing a mechanism for the efficient expeditious transfer of health and education records and the health and education passport.

Local Priorities address:

- A. Local priority goals; and
- B. Methods for measuring progress toward local goals.

APPENDIX A: PRIORITIES 5 AND 6 RATE CALCULATION INSTRUCTIONS

For the purposes of completing the LCAP in reference to the state priorities under *Education Code* sections 52060 and 52066, as applicable to type of LEA, the following shall apply:

(a) “Chronic absenteeism rate” shall be calculated as follows:

- (1) The number of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30) who are chronically absent where “chronic absentee” means a pupil who is absent 10 percent or more of the schooldays in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays.
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(b) “Middle School dropout rate” shall be calculated as set forth in *California Code of Regulations*, title 5, Section 1039.1.

(c) “High school dropout rate” shall be calculated as follows:

- (1) The number of cohort members who dropout by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(d) “High school graduation rate” shall be calculated as follows:

- (1) The number of cohort members who earned a regular high school diploma [or earned an adult education high school diploma or passed the California High School Proficiency Exam] by the end of year 4 in the cohort where “cohort” is defined as the number of first-time grade 9 pupils in year 1 (starting cohort) plus pupils who transfer in, minus pupils who transfer out, emigrate, or die during school years 1, 2, 3, and 4.
- (2) The total number of cohort members.
- (3) Divide (1) by (2).

(e) “Suspension rate” shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was suspended during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

(f) "Expulsion rate" shall be calculated as follows:

- (1) The unduplicated count of pupils involved in one or more incidents for which the pupil was expelled during the academic year (July 1 – June 30).
- (2) The unduplicated count of pupils with a primary, secondary, or short-term enrollment during the academic year (July 1 – June 30).
- (3) Divide (1) by (2).

NOTE: Authority cited: Sections 42238.07 and 52064, *Education Code*. Reference: Sections 2574, 2575, 42238.01, 42238.02, 42238.03, 42238.07, 47605, 47605.6, 47606.5, 48926, 52052, 52060, 52061, 52062, 52063, 52064, 52066, 52067, 52068, 52069, 52070, 52070.5, and 64001,; 20 U.S.C. Sections 6312 and 6314.

APPENDIX B: GUIDING QUESTIONS

Guiding Questions: Annual Review and Analysis

- 1) How have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 2) How have the actions/services addressed the needs of all subgroups of pupils identified pursuant to *Education Code* Section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 3) How have the actions/services addressed the identified needs and goals of specific school sites and were these actions/services effective in achieving the desired outcomes?
- 4) What information (e.g., quantitative and qualitative data/metrics) was examined to review progress toward goals in the annual update?
- 5) What progress has been achieved toward the goal and expected measurable outcome(s)? How effective were the actions and services in making progress toward the goal? What changes to goals, actions, services, and expenditures are being made in the LCAP as a result of the review of progress and assessment of the effectiveness of the actions and services?
- 6) What differences are there between budgeted expenditures and estimated actual annual expenditures? What were the reasons for any differences?

Guiding Questions: Stakeholder Engagement

- 1) How have applicable stakeholders (e.g., parents and pupils, including parents of unduplicated pupils and unduplicated pupils identified in *Education Code* Section 42238.01; community members; local bargaining units; LEA personnel; county child welfare agencies; county office of education foster youth services programs, court-appointed special advocates, and other foster youth stakeholders; community organizations representing English learners; and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process? How was the information made available?
- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA's engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to *Education Code* sections 52062, 52068, or 47606.5, as applicable, including engagement with representatives of parents and guardians of pupils identified in *Education Code* Section 42238.01?
- 6) What specific actions were taken to consult with pupils to meet the requirements 5 CCR 15495(a)?
- 7) How has stakeholder involvement been continued and supported? How has the involvement of these stakeholders supported improved outcomes for pupils, including unduplicated pupils, related to the state priorities?

Guiding Questions: Goals, Actions, and Services

- 1) What are the LEA's goal(s) to address state priorities related to "Conditions of Learning": Basic Services (Priority 1), the Implementation of State Standards (Priority 2), and Course Access (Priority 7)?
- 2) What are the LEA's goal(s) to address state priorities related to "Pupil Outcomes": Pupil Achievement (Priority 4), Pupil Outcomes (Priority 8), Coordination of Instruction of Expelled Pupils (Priority 9 – COE Only), and Coordination of Services for Foster Youth (Priority 10 – COE Only)?
- 3) What are the LEA's goal(s) to address state priorities related to parent and pupil "Engagement": Parental Involvement (Priority 3), Pupil Engagement (Priority 5), and School Climate (Priority 6)?
- 4) What are the LEA's goal(s) to address any locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?
- 6) What are the unique goals for unduplicated pupils as defined in *Education Code* sections 42238.01 and bgroups as defined in section 52052 that are different from the LEA's goals for all pupils?
- 7) What are the specific expected measurable outcomes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in *Education Code* Section 52052?
- 11) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to *Education Code* Section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 12) How do these actions/services link to identified goals and expected measurable outcomes?
- 13) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA's budget?

LCAP Expenditure Summary

Total Expenditures by Funding Source						
Funding Source	2016-17 Annual Update Budgeted	2016-17 Annual Update Actual	2017-18	2018-19	2019-20	2017-18 through 2019-20 Total
All Funding Sources	1,607,700.00	677,320.00	679,200.00	688,200.00	0.00	1,367,400.00
	0.00	0.00	0.00	0.00	0.00	0.00
Base	849,200.00	535,200.00	485,700.00	326,700.00	0.00	812,400.00
