---

**BACKGROUND:** Due to the construction projects throughout the district, we are in need of temporary classified personnel to assist with the following projects: Boron HS Locker rooms, Boron HS CTE Welding Program, RBL Adult Education, and RBL File room. The District would like to hire temporary classified personnel as needed for the special projects through August 2018. The hourly salary will be paid at the substitute maintenance rate of twelve dollars and fifty cents (\$12.50) per hour.

**RECOMMENDATION:** It is recommended that the Board approve the hiring of temporary classified personnel as needed for the above special projects through August 2018.
